Long-Term Care

Frail or disabled adults who medically and financially qualify for nursing home level of care may be eligible for Choices for Care, Vermont’s Long-Term Care Medicaid Program. This program provides individuals with a choice of settings in which to receive care: a nursing home, residential care home or in-home support. In-home supports include case management, personal care (e.g., help with bathing or dressing), respite care, adult day health center services, assistive devices and home modification. Choices for Care - Moderate Needs can provide assistance with adult day and some homemaker services. For more information about these programs contact the **CVCOA Helpline** at 802-477-1364, your local home health agency, or visit the state’s Adult Services Division website at <https://asd.vermont.gov/tags/cfc>

Veteran-Directed Care Program

This program is designed for military veterans seeking an alternative to nursing home care and helps them receive in-home assistance and support so they can remain in their homes. It is a statewide collaboration between the Veterans Administration and Area Agencies on Aging. There is no income eligibility, but veterans must need a specified level of care. For information, call the **CVCOA Helpline** at 802-477-1364 or visit www.va.gov/GERIATRICS/Guide/LongTermCare/Veteran-Directed_Care.asp#

Out of Home Placement and Respite Care

There are many residential care facilities in our service area, both large and small. Some of them may also provide short-term out of home respite, depending on bed availability. Contact the **CVCOA Helpline** at 802-477-1364 for information.
